## CREATIVE ART SHOWCASE CREATIVE ZONE

Creative Art Showcase is a Bromsgrove based charity and was founded in 2021 in response to the plight of children and families during the COVID crisis.

Their aim is to make art accessible to all people in all communities – by joining up young and old, vulnerable and challenged, supporting people's mental health and confidence.

They aim to be inspirational, fun and open and they'll be bringing their 'Creative Zone' to Art with Heart, so everyone can get involved making their own art piece for a donation of whatever you can afford.
